Dear Sir:

In accordance with 37 C.F.R. §§ 1.825(a) and 1.825(b), applicants hereby submit a Substitute Sequence Listing (9 pages) on paper and on a computer readable 3.5" Diskette. Applicants submit that the contents of the paper copy and the computer readable form are the same. The changes contained in the Substitute Sequence Listing are supported by the original Sequence Listing and the specification. Thus, this submission contains no new matter. The reasons for the submission of the Substitute Sequence Listing are set forth in the Remarks section of the Supplemental Preliminary Amendment (submitted herewith).

Respectfully submitted,
